

*FROM CLARE TO HERE*

=====

Oh there's four who share the room  
And we work hard for the crack  
And getting up late on Sunday  
I never get to Mass

[CHORUS after each verse]  
It's a long long way from Clare to here  
It's a long long way from Clare to here  
Oh it's a long long way  
It gets further day by day  
It's a long long way from Clare to here!

When Friday night comes around and he's only into fighting  
My ma would like a letter home but I'm too tired for writing.

And the only time I feel alright is when I'm into drinking  
It eases off the pain a bit and levels out my thinking.

Well it almost breaks my heart when I think of Josephine  
I promised I'd be coming back with pockets full of green.

I dream I hear a piper play maybe it's a notion  
I dream I see white horses dance upon that other ocean.
